Professional Experience

Manager, AIA — 2022 - Present

- Led a 45-person cross-functional organisation delivering finance projects consistently ahead of schedule.
- Managed C-suite stakeholders, annual budgets above HK$400M, and competing strategic priorities.
- Owned the regional finance reporting calendar presented to the group board.

Analyst, Standard Chartered — 2019 - 2022

- Directed the analytics workstreams behind finance decisions across regional desks.
- Built the reporting packs used by regional leadership for quarterly planning.
- Partnered with risk teams to tighten the portfolio review process.

Analyst, HSBC — 2016 - 2019

- Prepared the monthly business review reporting used across the retail finance desk.
- Maintained the forecasting models covering the retail finance portfolio.
- Supported the year-end close with ad-hoc analysis for senior management.
